

Performance Packaging – Your Single Source Packaging Solution

For more than 20 years, we've known that our continued success depends entirely on your satisfaction. Our customer service capabilities combined with the expertise and productivity of Performance Packaging's long term employees make us the single-source solution for your packaging needs, today, tomorrow and well into the 21st century.

We understand that your main objective is to focus on your business, not packaging. We take a consultative approach from design to delivery - investing our time and resources to be more closely in tune with your packaging needs. Performance Packaging offers expert personnel with over 70 years of combined experience in the packaging industry. Our longtime relationships with our manufacturing facilities give us the ability to control and guarantee the products that we deliver to our customers.

All of our products are made from the highest quality materials meeting or exceeding FDA requirements. They are printed with skilled craftsmanship for food, medical, pharmaceutical, retail and industrial use.
